Lectures 1970-1980: Includes many local dental societies, study clubs, state meetings, and the University of Florida School of Dentistry.

Affiliations: President and CEO of Video Study Club, supplier of continuing education videotapes for dentistry.

Asides: Dentists from all over the world travel to Clearwater to attend seminars presented by Dr. Strupp. Many of those attending consider his programs to be the best continuing education courses on crown and bridge esthetics and new techniques in dentistry today. Many other dental colleagues come to his office to observe his chairside clinical techniques. Many others and their families are patients. He is truly the dentist's dentist.
