Certified Dental Technician. One of only a few dentists in the country to obtain this designation. The CDT designation is a great achievement and demonstrates a significant mastery of the knowledge and applied skills needed in dental technology.

Designated Team Dentist for the New York Yankees.

Dr. Brumm's Personal Philosophy Statement:

To provide dental care at the highest level of quality humanly possible in an atmosphere of genuine caring and kindness; to teach every patient the proper preventive dental techniques so the patient can keep his/her own natural teeth for a lifetime; to become a positive source of influence for his patients, his family, his profession, and the community at large. This is his aspiration.

Post Graduate Studies: Attended hundreds of continuing education seminars in the United States concerning esthetics, restorative dentistry, implant dentistry, and occlusion.

Co-Authorship

Asides: Dentists from all over the world travel to Clearwater to attend seminars presented by Dr. Strupp and Dr. Brumm. Many of those attending consider their programs to be the best continuing education courses on crown and bridge esthetics and new techniques in dentistry today. Many other dental colleagues come to their office to observe their chair side clinical techniques. Many others and their families are patients. They are truly the dentist's dentist.
